

2023 SPIRIT OF TRANSFORMATION

Mentor Information

The Women's Spirit Project aims to empower women who are doing it tough and have the courage and determination to make positive change in their lives.

Thirty women, 25 years and older and 15 mentors will be selected from the Mornington Peninsula region to participate in the FREE, **Spirit of Transformation Program**. There is no upper age limit.

Mentoring is a mutually beneficial relationship where one or more people are drawn together to focus on supporting less experienced people to succeed with achieving a goal or tasks. Mentors are acquainted with mentoring concepts and the relationship has some structure, but the role is not formally recognised.

In the case of the Women's Spirit Project, the role of the mentor is to be a role model and buddy to 2 participants throughout the course of the 11-week program and:

- Provide a listening ear, encouraging words and positive energy
- Be on hand to assist with reflections on learning from each of the modules
- Actively participate in all activities including fitness sessions
- Be committed to seeing your participant on a weekly basis throughout the program.

The 11-week program will cover the following topics:

- Goal Setting
- Problem Solving
- Mindfulness & Meditation sessions
- Communication skills training
- Awareness of and links to support services and resources available in the community
- Health and Nutrition sessions
- Boundary Setting

Each week mentors and participants will join one hour of fitness activity including walking, group fitness, yoga and body art classes.

A group of enthusiastic and motivated women from the Frankston | Mornington Peninsula region with experience in the community, education, fitness, and health sectors are volunteering their time to lead the program.

We promise this will be a rewarding experience, providing personal growth, new connections, and fun!

THROUGH PARTICIPATION IN THE PROGRAM, YOU WILL EXPERIENCE

- ✓ Increased self-esteem, confidence, and resilience
- ✓ Improved health, fitness, and wellbeing
- ✓ Understanding of mentoring and improved coaching skills
